

Advice on Juvenile Arthritis from the Experts

2012 Juvenile Arthritis Conference | July 19-22 in St. Louis, MO

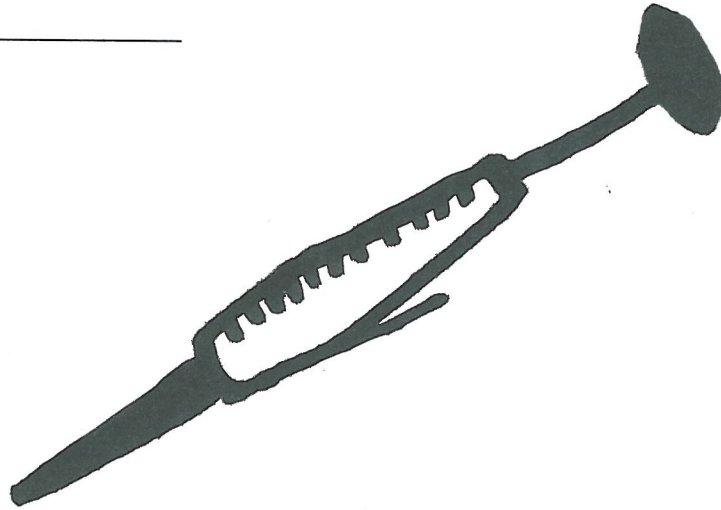

Name: Caroline

Age: 10

State: MN

SHOTS

Title

Shots hurt at first but as you get used to it, it starts to stop hurting. If your not doing the shot you could ask them to numb your leg or count to three or whatever number you prefer. Another thing is you could ask to hold their hand and squeeze it.
