

Advice on Juvenile Arthritis from the Experts

2012 Juvenile Arthritis Conference | July 19-22 in St. Louis, MO

Name: Katherine Age: 15 State: Ohio

Title

It's okay

You are
NOT alone!

My advice to you is not to be ashamed/embarrassed of having arthritis. I have had arthritis since I was 14 months old. Once you can talk about it, it is easier to deal with those who don't understand. People will not understand, but you can teach them. Arthritis ~~is~~ ^{is just a part of you.} ~~is~~ Don't let the disease define you.
